Qiong,

-

You are clear to begin your (05/05/24 to 06/09/24) Observation once you obtain your Observer badge. You are not permitted to observe past your requested end date. You must apply for an extension, which are considered on a case by case basis. You must remain with your preceptor(s) at all times. All preceptors must be listed on your application.

**Please be advised that this clearance is only for observation at Parkland Health. If you would like to observe at Clements University Hospital, (UTSW) they have a separate Observation Program application process.**

When picking up your Observer badge, you may park in the Tower Garage adjacent to the new Parkland hospital. You may also take DART that has a station on the hospital campus.

The Badge department is located in the Logistics building directly behind the hospital. They are open Mondays from 1330-1600 and Tuesdays-Fridays from 0730-1600. **Please make sure to take your driver's license or passport. An Observer badge will not be issued without a form of identification.** \*\*\*Present this email to the Badge Departmental Systems Specialist as confirmation that you are clear to obtain your Observer badge. Your Observer badge must be worn at all times. **Please return your Observer badge at the conclusion of your Observation experience.**

While in the Badge department, information can be obtained about where to park during your Observation.

Enjoy your time observing and please let me know if I can assist you in any manner in the future.

**Ginny****Virginia Taylor RN, BSN**
